

## **Friends and Family Membership Benefits:**

1. Expert advocacy and lobbying on fiscal and legislative issues on behalf of all charter schools and charter authorizers, including:
  - Monitoring all bills impacting charter schools
  - Developing legislative agenda and drafting helpful legislation
  - Attending and testifying at legislative hearings
  - Lobbying legislators and their staff
  - Monitoring, attending and testifying at State Board and ACCS meetings
  - Acting as federal liaison to national charter school advocacy groups
  - Building partnerships with key legislators and interest groups
2. Email updates on key policy issues.
3. Media and public relations initiatives to continue building awareness and a positive image of charter schools among the general public and legislature.
4. Regional networks that will offer technical assistance workshops, best practice sharing, peer mentoring, and networking events.
